## HORRIBLE DEATHS.

**Will Cato and Paul Reed Saturated With Oil and Burned at the Stake.**

**TAKEN FROM SOLDIERS BY A MOB.**

**They Were Convicted of the Brutal Murder of the Hodges Family Near Statesboro, Ga.**

**The Men, After the Legal Trial, Were Sentenced to Be Hanged September 9 and Were About to Be Taken to Savannah.**

Statesboro, Ga., Aug. 17.—Paul Reed and Will Cato, two of the principals in the murder and burning of Henry Hodges and wife and three children, six miles from Statesboro three weeks ago, were burned at the stake Tuesday.

Tuesday afternoon at 1:21 o'clock a determined mob charged on the court house, overpowered the military guard, secured Cato and Reed, who had been found guilty after a legal trial and sentenced to be hanged September 9, took them two miles from Statesboro and there burned them alive.

When the attack on the guards was made Rev. Mr. Hodges, brother of the murdered man, pleaded with the crowd to let the law take its course, but his advice was unheeded.

### Mob Burst the Door.

The small guard with the prisoners withdrew into the court room and closed the door. The mob crashed against it, bursting in as though it were an eggshell. Cato, Reed, Handy Bell and the other prisoners cowered before the crowd. They dragged Cato and Reed out, releasing Bell into the hands of the few soldiers left there as soon as they learned that he was not Reed, for they had mistaken him.

Reed was taken down one stairway with a rope about his neck and Cato down the other, both pleading for their lives. By this time the crowd numbered 500 persons. The doomed men were dragged, the crowd shouting and cheering, along the roadway leading to the Hodges homestead.

Going 75 yards from the road the crowd halted. The two Negroes were made to seat themselves on a log. They were told they had but a short time to live and that they should confess. Reed was the first to speak. He confessed, implicating other Negroes as he had in the court room. He denied, however, that he had taken an active part in the murder. Cato answered incoherently. The crowd moved across a field to a strip of woodland.

### Chained to a Stump.

To a large stump 12 feet high the men were chained with their backs to the stump. Then a wagonload of pine wood was hauled to the spot. It was piled around the men and ten gallons of kerosene was thrown over them. A photographer was present and the crowd was cleared back that he might get several views of the men bound to the stake and ready for the burning. Then followed an awful scene. Frenzied cheers rent the air as men almost crazed with hatred of the men being punished saw the cruel flames drinking up the lifeblood. Just as the match was applied to the pyre one of those in front asked Reed if he wanted to tell the truth before he died.

"Yes, sir; I killed Mr. and Mrs. Hodges," he replied.

"Who killed the children?" he was asked.

"Handy Bell," came the response as the flames leaped upwards. The spectacle was frightful. As the flames touched Reed's naked, oilsoaked skin, he twisted his head around in an endeavor to choke himself and avoid the fearful torture. Only once did he complain. He said: "Lord, have mercy."

### Begged to Be Shot.

Cato screamed in agony and begged to be shot. His heavy suit of hair which was oilsoaked was almost the first thing the flames fastened on and, screaming with agony, while the hemp rope became a collar of fire around his neck a thrill of terror ran through the frames of the more timid of the spectators. Before the flames had quenched Cato's life, the rope was burned in two and his head swung from side to side as he endeavored to avoid the fiery tongue. By effort almost superhuman he writhed under the close-chained chains.

He was the first to exhibit unconsciousness and was perhaps the first dead. Before the flames progressed very far up his body his head sank forward and many believe that the fire got into his lungs and killed him. As Cato's head swung to and fro some of the more excited members of the party commenced throwing light wood knots at it. As soon as it was seen that the men were dead the crowd

commenced dispersing. A large number remained behind, however, piling more fuel on until both bodies were burned except the trunks.

Late Tuesday afternoon after the last member of the mob had left the scene, hundreds of citizens who in no wise had participated in the affair repaired to the scene and many remained long after nightfall picking up whatever souvenirs they could find. Conspicuous among the crowds were a number of small boys in knee pants.

### UNIFORMED KNIGHTS.

**Twenty-Six Brigades, Over 10,000 Men, Paraded in Louisville.**

Louisville, Ky., Aug. 17.—Under fair skies 26 brigades of the Uniform Rank Knights of Pythias, over 10,000 strong, passed in review before the people of Louisville Tuesday. Over one hundred thousand people lined the route of the parade, three miles in length, and cheered the militant members of the order as they marched past in trim service, uniforms or dress parade regalia with scarlet plumes and glittering trappings.

Despite a drawback in the number and the quality of the horses furnished the visitors, which, according to the general staff, prevented nearly 2,000 men from participating, the pageant was a gorgeous success. Gen. Carnahan, commander-in-chief, was a very watchful man when the hour for the parade drew near and he took note of the quality of the beasts offered for mounts.

"Look at that plug," he ejaculated to a sad looking animal whose legs were garnished with nearly all the bumps mentioned in the horse book. "If they expect me to ride they are mistaken. They would egg me out of the parade if the poor brute could stagger through it, and this is the home of the thoroughbred."

At the last moment Gen. Carnahan was furnished with a suitable horse, but three cavalry companies and many officers were forced to enter the parade unmounted, while others did not participate at all. Nevertheless there was a magnificent turnout, due largely to the numbers and appearance of the Ohio, Indiana, Illinois and Kentucky brigades. The Philippine constabulary band, which led the parade, was one of the features, receiving a tremendous ovation all along the route.

Tuesday night the grand military ball of the uniform rank was given at the Horse Show building, where the Knights and their ladies to the number of several thousand danced and paraded.

### THE MAYOR FAILED.

**Harrison Did Not Bring About Peace in the Strike.**

Chicago, Aug. 17.—With the stockyards strike entering on the sixth week its existence Wednesday morning, peace seems further removed than ever.

Mayor Harrison's effort Tuesday to bring about a conference met with a flat refusal from the packers. They insisted that they had the strike broken at all points outside of Chicago and could not afford to temporize with the strikers now.

The strike leaders, after learning the attitude of the packers, decided they were satisfied with the conditions and would keep up the fight indefinitely.

### NEW YORK PACKERS.

**It Is Charged That They Have Prepared to Import Butchers.**

New York, Aug. 17.—That the managers of the packing houses in this city affected by the butchers' strike have prepared to import butchers from England to take the places of the strikers is a charge made Tuesday by the officers of the Amalgamated Meat Cutters and Butcher Workmen's association. They claim to have positive information to the effect that 30 English butchers already have sailed for this city on the steamer Victorian.

### MISSOURI RIVER WORK.

**The Sum of \$2,376,000 Is Needed During Next Two Years.**

Sioux City, Ia., Aug. 17.—The sum of \$2,376,000 is needed for Missouri river work during the next two years. The annual report of Maj. Chittenden, United States engineer at Sioux City, in charge of Missouri river improvements, shows a need of a total of \$2,376,000 for this work. One of the most important recommendations is that \$475,000 be appropriated for work on the Missouri and Kaw rivers in the vicinity of Kansas City.

**A Demand For Domestic Servants.**  
New York, Aug. 17.—Attaches of the immigrants' free labor bureau here estimate that 40,000 domestic servants are needed in this city, and it is stated that the demands of housekeepers seeking help are far in excess of the supply.

## ANOTHER VICTORY.

**Japanese Troops Have Secured an Important Land Position Near Port Arthur.**

**HEAVY FIGHTING IS GOING ON.**

**The Russian Warships Made Another Sortie Tuesday and Returned to Their Former Anchorage.**

**Position of the Besieged at the Fortress Is Such That Japanese Demanded a Surrender—Answer Expected Wednesday.**

London, Aug. 17.—A late dispatch received here Tuesday night says Port Arthur is in flames, and its surrender is but a matter of hours.

Tokio, Aug. 17.—The emperor's offer to release the non-combatants at Port Arthur coupled with a demand for the surrender was delivered Tuesday. An answer is expected Wednesday.

London, Aug. 17.—A dispatch to the Central News from Tokio says that a big oil warehouse at Port Arthur is blazing furiously and that the position of the besieged is such that the Japanese are urging them to surrender.

Che Foo, Aug. 17.—Tuesday's sortie of the Russian warships from Port Arthur is regarded as a confirmation of previous reports that the Japanese have occupied an important land position, the fire from which compelled the Russian vessels to leave the harbor. It is certain that they returned to their former anchorage after the sortie. Junks which left Port Arthur August 13 report that heavy fighting was continuing.

Che Foo, Aug. 17.—A striking incident of the naval engagement of August 10 was the surrounding of the battleship Retvizan by Japanese torpedo boats, the other Russian vessels having gone to the assistance of the Czarovitch, which was then hard pressed. The Retvizan desperately attempted to break through the line and tried to ram a cruiser which appeared but she was fairly blown out of her course by a hail of shells from the cruiser which began now pitching in the fight. Every officer of the Czarovitch was either killed or wounded. While the Czarovitch was making for Tsingtau funeral services were held in many cases over arms and legs. One sailor whose hand was severed by a fragment of shell became crazed by pain and the horror of blood about him. He approached the captain, held out the severed member in his remaining hand and requested that prayer be said over it.

### WITH HEAVY LOSSES.

**German Troops Fought a Battle With the Rebel Herreros.**

Berlin, Aug. 17.—Gen. Von Trotha, in command of the German troops in Southwest Africa, reports that he fought a battle with the rebel Herreros, on August 11 and 12. The natives were driven back on the second day, and the town of Hamakari was captured. The losses on both sides were heavy, the German casualties being 24 killed and 61 wounded.

In a skirmish preceding the battle a patrol commanded by Lieut. Baron Von Rodenhause, was surprised and the lieutenant and eight men were killed.

### THE CZAR'S UKASE.

**Corporal Punishment in Russia Will Be Abolished.**

St. Petersburg, Aug. 17.—One of the acts of grace signaling the birth of an heir to the throne will be the total abolition of corporal punishment throughout Russia. The result of the suit will have a far-reaching effect upon similar institutions in the state.

Bohne, cashier of the Third national bank, and Samuel Cassey, president of the Bank of Commerce, testified that Barbour opened fire without warning and that Hagan offered no defense.

## VETERANS PARADE

**Twenty-Six Thousand Survivors of the Union Forces of the Civil War in Line.**

**FROM ALL PARTS OF THE COUNTRY.**

**Five and One-Half Hours Were Required for the Procession to Pass a Given Point.**

**Reviewed By Gov. Bates and Commander-in-Chief Black—Ex-Confederate Officers Occupied Positions in the Stand.**

Boston, Aug. 17.—Tuesday 26,000 survivors of the union forces of the civil war assembled from all sections of the United States, marched through the streets of Boston. Five and one-half hours were required for the parade to pass a given point and it was a severe strain on the old soldiers, but generally they bore the hardship well. More than three score of them dropped in the ranks from exhaustion and heat prostration and were cared for at the field and civic hospitals. The death of one soldier marred an otherwise happy day. Col. John P. Byron, a member of John A. Dix post, of New York, died from heart failure induced by exhaustion. At least 250 spectators, mostly women, walked during the parade, and many persons were slightly injured and had their clothing torn in the crush.

The spectacle of the marching gray haired soldiers was one calculated to thrill and everywhere the army was received with applause.

As the columns of blue swept up Beacon Hill, closely following the northerly side of the famous Boston common, they were reviewed from the state house by Gov. John L. Bates, who was accompanied by distinguished personages, including Gov. Van Sant, of Minnesota; former Govs. W. Murphy Crane and George S. Boutwell, of Massachusetts; Henry Cabot Lodge and Booker T. Washington, and at the city hall, Mayor Patrick A. Collins reviewed the parade, having as his guests the mayors of a dozen cities.

At the end of the review Commander-in-Chief John C. Black, of the G. A. R., held his review. Several former confederate officers occupied places in the stand and the pre-eminent picturesque feature of the parade was the "Living flag," formed by two thousand children dressed variously in white, red and blue, and seated near the reviewing stands. Every soldier of the marching army raised his hat as he passed this picture, while the children joined in "Dixie," and the "Battle Hymn of the Republic."

Reports Tuesday night indicate that more than 200 persons were either prostrated by the heat or fainted in the crowds during the day and one known fatality, Col. John P. Byron, of New York.

## DEMOCRATIC TICKET.

For President,  
ALTON BROOKS PARKER  
of New York.

For Vice President,  
HENRY G. DAVIS  
of West Virginia.

For Congress  
JAMES N. KEROE  
of Mason County.

"The essence of good Government lies in strict observance of constitutional limitations, enforcement of law and order and rugged opposition to all encroachment upon the sovereignty of the people." —Parker.

REPUBLICANS must be getting scared over New York. Governor Odell has warned his lieutenants in the Empire City that a repetition of the 122,000 Democratic plurality of 1902 will defeat Roosevelt in his home State. He has directed that they do their utmost to hold the Parker plurality below 100,000 and has warned them if they fail the thirty-nine New York electoral votes will be cast for the Democratic ticket.

THE New York Evening Post says of Parker's acceptance:

The speech makes it plain to all that Judge Parker was the right candidate with whom to oppose President Roosevelt. The two men stand for antithetic ideals, and it is for the nation to make its choice between them. It is Constitutionalism versus Imperialism. It is law against impulse. It is the man of calm and poise and judicial habit against the impetuous meddler who leaps first and asks afterward what the law is; who violates a treaty and thinks it defense enough if he says his own sense of honor was satisfied.

## STOMACH DOSING WILL NOT CURE.

Only Way to Cure Catarrh is by Breathing Hyomei.

Ask any physician if catarrh is a blood disease and he will tell you that it is a diseased condition of the mucous membrane and that it cannot be cured by blood purifiers, pills, tablets, or other forms of stomach dosing. The only sensible and scientific way to cure catarrh is by the use of Hyomei.

Breathed for a few minutes, four or five times a day, through a hard rubber inhaler that is so small that it can be carried in the vest pocket, Hyomei will absolutely destroy all catarrhal germs and cure the disease.

J. J. Wood & Son, one of the most reliable firms in Maysville, give their personal guarantee with every package of Hyomei. They sell, that it will effect a cure, or they will return the money. They had scores of reports of remarkable cures of both acute and chronic cases of catarrh by Hyomei.

The complete Hyomei outfit costs \$1 and comprises an inhaler, a bottle of Hyomei and a dropper. The inhaler will last a lifetime; and additional bottles of Hyomei can be obtained for 50c.

Mr. John O'Kerfe is on the sick list.

The members of the Sunday school of the Second M. E. Church, South, will have their annual pic-nic to-morrow in Lee's woods. All who intend to go are requested to be at the church not later than 7:15. First wagon will leave at 7:30 and the last one at 8.

## Chenoweth's Sparkling Soda Water!

The making of perfect soda is now reduced so nearly to a science that about all depends on the willingness of the maker to pay for perfect materials.

Yet perfect soda is rare; the reduced profit hinders.

There is nothing too good for our fountain; we think there is profit enough in pleasing and holding our soda water customers.

## THAT SALE OF OURS

There is as much difference in a sale as there is in a SAIL.  
The American SAIL is a good deal swifter than the English SAIL, as Sir Thomas Lipton has so often found out.  
Merz Bros. sale is different from other sales. A good deal swifter too. Saturday was an August record-breaking day for the BEE HIVE.  
We must break the record every other day in August.  
Here is how we are going to do it:  
A CLASH IN CRASH 5c. worth 8½c.  
Another lot of those 25c Ties for 15c. Don't ask two for 25. All colors too.  
Is 17c cheap for Mennen's Talcum Powder?  
LONGCLOTH AT A SHORT PRICE, \$1 25 a bolt. Its our special No. 2000.  
SAY "ROYAL" to the shirt waist girl. If we have your size take your pick for 98c.  
The men know how to appreciate those 50c Sox for 25c.  
Why not buy a Woolen Dress now and save 20 per cent?  
A few of those 75c Gloves for 25c are still left. You will be all right if you get a pair yet.  
Why don't you buy one of those 98c Skirts?

The many friends in this city of Rev. Father Ennis will be delighted to learn that he is improving. A telegram to that effect was received by Mr. Geo. Schroeder Tuesday from the hospital at Nashville, where Father Ennis is under treatment.

### MAYBRIER BROUGHT HERE.

Slayer of Jailer Thompson of Robertson County in Maysville Jail For Safe Keeping.

Thomas Dobyns Maybrier who shot and killed Jailer George W. Thompson at Mt. Olivet Tuesday, was brought here during the afternoon by Sheriff Vanhook and Deputy Sheriff Duncan of Robertson County and placed in jail for safe keeping. The party arrived about 6 o'clock. While the feeling is very strong at Mt. Olivet against Maybrier the officers didn't apprehend any violence. The Circuit Judge of that district who was holding court there thought it best to send the prisoner here.

Maybrier was indicted Tuesday, and his trial was set for Thursday of next week.

The BULLETIN'S Mt. Olivet correspondent sends this account of the tragedy:

About 6 o'clock Jailer Thompson's horse had wandered from the stable and found its way into the yard of Maybrier who lived just across from the public square. Maybrier having seen Mr. Thompson's daughter began in his accustomed loud and boisterous way to abuse her on account of the animal's being at large. She returned home and informed her father. Mr. Thompson went over, when he and Maybrier engaged in a quarrel about the animal.

"Bud" Bradley, a close neighbor, says that the Jailer put his hand against Maybrier's face and shoved him, when the latter struck Thompson on the nose with his fist. This angered Thompson and they began a fist and skull combat. Before Bradley realized that he had any such intentions Maybrier drew a pistol and emptied three balls into Thompson.

The poor man sank to the ground, either of the wounds being sufficiently fatal as to produce immediate death.

Maybrier is a white man and thirty-four years old. He has always been regarded as one devoid of moral compunction altogether. He served a year's sentence in the penitentiary for maliciously cutting his step-father. He served for a short time in the Spanish-American war and his officers say he was a person upon whom military discipline had no effect whatever.

Jailer Thompson was about sixty-five years of age. He had been thrice married, his last wife being a daughter of the late Dixon R. Linville. She with two unmarried daughters and a twelve-year-old son constituted the family.

The funeral took place to-day at 10 o'clock, the Masonic fraternity, of which he had long been an honored member, having charge of the obsequies.

### DESTRUCTIVE STORM.

Wind, Rain and Hail Greatly Damage Crops in Eastern Part of County Tuesday.

The storm Tuesday afternoon between 1 and 2 o'clock was very destructive east of Maysville.

The cloud came from the Northwest, and was accompanied by a severe wind, heavy thunder and a downpour of rain and hail. A telephone message from Rectorville states that the corn and tobacco crops in that section are practically ruined, the storm being the worst there in many years. So far as learned no buildings were destroyed.

In this city there was considerable rain, and a severe wind, but no particular damage.

Considerable hail fell in a part of the Sixth ward, but that was just in the edge of the hail storm. Mr. Samuel Sweet, south of the county infirmary, had twelve acres of tobacco ruined, the leaves being riddled and stripped from the stalk. Some tobacco at the fair grounds was also ruined. From that point east the storm was very destructive, the hail lying on the ground for sometime after the cloud passed.

Rooms for visitors to World's Fair, half block to direct car line; ten minute ride to grounds. Rooms \$1 to \$2 for each person. Breakfast if desired. 315 N. Boyle ave, near Forty-third st.

To Ignore Such Convincing Proof as This Maysville Citizen Gives You Here.

You may differ from your neighbors in many important questions of the day. Your opinions may coincide with those of the minority or of those of the majority and still you may be in doubt. But you can hardly be skeptical about the merit of Doan's Kidney Pills when you read such emphatic local endorsement as the following:

Mrs. J. B. Gibson of 113 West Fourth street says: "The value of Doan's Kidney Pills is quickly made manifest by their use. I obtained them at J. Jas. Wood & Son's drugstore, corner of West Second and Market streets, and although my experience was not extensive, it was because their curative powers were so quickly demonstrated that extended use was unnecessary. The quick relief from backache which was obtained from the use of Doan's Kidney Pills caused me to recommend this valuable medicine whenever opportunity offers."
